

ProActivate hires the best sales people to help drive your revenues quickly and cost effectively.

Our Value:

- ✓ We proactively provide highly qualified candidates to leaders
- ✓ We provide a network of talents in challenging markets or positions
- ✓ We give you access to the 90% 'working and winning' talents and leadership that are not on the market actively looking

Our Model:

- ✓ ProActivate provides a dedicated Talent Manager that will work with you to develop an Ideal Candidate Profile that meets your specific needs and expectations
- ✓ Our customized recruiting strategies include in-depth interviewing and simulation evaluation during the qualification process
- ✓ ProActivate provides at least three (3) interviews per market opening and does so within several weeks of initiating a search
- ✓ ProActivate conducts a very in-depth 1.5 hour behavioral interview process that includes skillset, mindset, and simulation evaluation components

Our Fee:

- ✓ ProActivate charges a flat fee vs % commission for our talent services
- ✓ We offer various program levels to fit your hiring needs
- ✓ All levels deliver at least three (3) highly qualified candidates per position
- ✓ We guarantee the hire for each position
